

THE MOVIE DATABASE LOGIN and API KEY

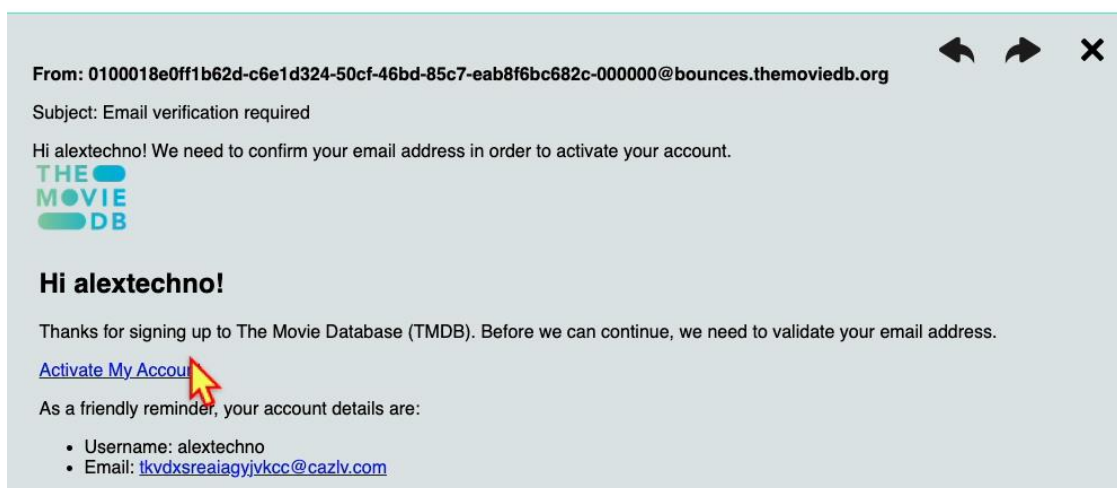

1. Go to The Movie Database website
URL : <https://www.themoviedb.org/>
2. Click on the "Join TMDb" button.

3. Fill in the Username, Password, Password Confirm, and Email fields. Then click on the "Sign Up" button.

4. Check your email that you used to register. Click on the "Activate My Account" link in the email sent by TMDb to verify your account.

- After verifying your account, enter your Username and Password, then click on the "Login" button.

Login to your account

In order to use the editing and rating capabilities of TMDB, as well as get personal recommendations you will need to login to your account. If you do not have an account, registering for an account is free and simple. [Click here](#) to get started.

If you signed up but didn't get your verification email, [click here](#) to have it resent.

Account verification required

- Your email address hasn't been verified. Please click the verification link in the email that was sent to the address you signed up with. (Don't forget to check your spam folder.) You may [request the email be resent](#) if you are unable to locate your activation email.
